VALE OF LLANGOLLEN AUTUMN TINTS AND LLANGOLLEN TOWN

During the months of October and November, the Vale of Llangollen is one of the finest areas in Wales for enjoying autumnal tints. The mountains and valley floor are lined with a variety of trees and bushes each displaying their own individual colours.

This outstandingly beautiful valley presents a remarkable, visual combination of stark natural landforms and ancient and modern man-made features with the River Dee gently meandering through the valley.

Llangollen town itself straddles the river via the arched bridge built about 1500.

For our lunch stop we visit to the Sun Trevor Inn, where good food and a welcoming family atmosphere awaits you.

Later we return to Llangollen, once back in town, ample time will be given to look around before returning home or you may wish to visit another local place of interest.

Please contact us with details of your requirements, including the number in your party (15–50 persons). We will quote a price for the coach hire and advise you of any additional or optional costs, e.g. entrance fees.
