ENJOY A VISIT

JACQUELINE IDDON'S

GARDEN

BRETHERTON, NEAR ORMSKIRK

This is a most enjoyable day out on a warm sunny afternoon and is not just for the keen gardener but for those of us who enjoy a walk around a beautiful, well-kept area of flowers and shrubs.

The garden is 1½ acres split into different areas: a hot Mediterranean garden, a bottle wall and a folly for sun-loving plants. They have a Victorian fern house and a walled garden. There is a woodland walkway for shade-loving plants and a large stream-fed pond planted with a wide range of unusual foliage and flowering plants, alongside climbing roses, clematis, shrubs and herbaceous borders.

Open from mid-May to mid-September, the programme for the day will be as follows: On arrival, enjoy a lunch of sandwiches, side salad, tea/coffee and homemade cake. After lunch, Jacqueline will give you a very informative talk which will interest keen gardeners and flower arrangers. After the demonstration, Jacqueline will show us around her beautiful garden and answer any questions you may ask her. There is also the opportunity to purchase any plants and shrubs.

Please contact us with details of your requirements, including the number in your party (15–50 persons). We will quote a price for the coach hire and advise you of any additional or optional costs, e.g. entrance fees.
