Visit the magical **MARTIN MERE**

Martin Mere - 376 acres, one of Britain's most important wetland reserves. Thousands of wild waterfowl migrate to Martin Mere for the summer and the winter. It is also home, all year round, to 1500 tame birds from all over the world.

The centre is a perfect setting for a day out. Each day is different and every season brings changes - this is the magic of Martin Mere.

Please contact us with details of your requirements, including the number in your party (15-50 persons). We will quote a price for the coach hire and advise you of any additional or optional costs, e.g. entrance fees.
