VISIT THE BRITISH IRON WORKS

AN AMAZING EXPERIENCE

The British Iron Works Centre (no entrance fee), celebrates and promotes the diversity of arts in metal. They have collected the best metalwork from talented artists throughout the UK and across the globe.

This diverse and unique collection forms the largest metal safari in the UK. As you meander your way round you will encounter leaping antelope, flocks of flamingos & graceful golden giraffes. Their quirky indoor showroom is packed with all manner of interesting and unusual saleable items.

Later and after a very short drive our lunch stop takes us to the Narrow Boat Inn near Oswestry. A family run pub/restaurant serving great cask ales, a selection of wines and delicious home cooked food. The Inn is situated east of Oswestry next to the Llangollen Canal. Be assured of a warm and friendly welcome.

Please contact us with details of your requirements, including the number in your party (15–50 persons). We will quote a price for the coach hire and advise you of any additional or optional costs, e.g. entrance fees.
